FAX (937) 596-5520

At Peoples Federal, we highly value the relationships we've built over the years and remain dedicated through these challenging times to supporting our customers and the communities we call home.

Yesterday, Ohio Governor Mike DeWine announced a *Stay At Home Order* that will go in effect on Monday, March 23<sup>rd</sup> at 11:59 p.m. Under this order only essential businesses are to remain open-this includes financial services, like **Peoples Federal**.

#### ***For your daily banking needs***

To protect the health of our employees and customers, as of March 24, we modified our operations to drive-thru service only with additional lobby services being offered by appointment. Our Walmart in-store branch will be temporarily closed. Customers can still access **Mobil** and **On-Line Banking** as well as **ATMs** and **night drop** services. For assistance or to make an appointment for lobby access please call your local branch. You have full access to your accounts and can rest assured that your money is **safe** and **secure**.

Please be reassured that Peoples Federal is taking all the necessary precautions as outlined by the government and public health agencies as we navigate through this unprecedented situation. Peoples Federal has served this community since 1886 and we will continue to be here for our customers.

Debra Geuy, President and CEO
